2. Please select “Regular Paper” from the drop-down menu in “Select Article Type” section.

The image shows a progress bar with three steps: 'Article Type Selection' (active), 'Attach Files', and 'Manuscript Data'. Below the progress bar, there is a 'Select Article Type' dropdown menu with the following options: 'None', 'Regular Paper', 'Short Note', and 'Review Article'. The 'Regular Paper' option is highlighted in blue. To the right of the dropdown is a 'Proceed' button with a right-pointing arrow. To the left of the dropdown, there is a note: 'Choose the Article Type of your submission from the drop-down menu. By submitting a manuscript, the author(s) or rightsholder(s), as the case may be, agree(s) to the terms and conditions of this journal.'

3. Please proceed with the processing until the “Additional Information” section.

4. Please answer “Yes” to the question; “Does this manuscript belong to a special issue?” under the “Additional Information” section.

Please verify that you have included a conflict of interest statement in your manuscript. A conflict of interest exists whenever an author has a financial or personal relationship with a third party whose interests could be positively or negatively influenced by the article’s content. This should be added in a separate section before the reference list. If no conflict of interest exists for all participating authors, the corresponding author should use the following wording: On behalf of all authors, the corresponding author states that there is no conflict of interest.

- Yes, conflict of interest statement included.

This journal encourages data deposition in repositories. Refer to ‘Instructions For Authors’
